ATLANTIS
infinite headwear

ATLANTIS HELPS YOU TO STAY COOL, DRY AND SAFE FROM THE SUN

With a layer of water protection and a **DRY-TECH sweatband**, rubber velcro closure and **UPF50+** treatment, the five-panels RAY is the most complete cap for outdoor activities thanks to its **waterproof** and **breathable skills**.

- With the **ultraviolet protection** sticker, sun rays are blocked and the skin is excellently protected
- The new sweatband made with highly breathable and high-drying polyester fabric, has **antibacterial properties** and offers a comfortable fit
- UPF 50+, water resistance and antibacterial are tested and certified by Ritex Laboratories
